14th Edition

GIPPC

Asia's Leading Convention On
Innovation & IP

17-19 February, 2023 | Goa

DIRECTOR'S MESSAGE

Dr. Dhanpat Ram Agarwal
ITAG Business Solutions Ltd.

We welcome you to the 14th edition of GIPC in Goa. India is the fastest-growing economy in the World, the fifth largest economy in terms of nominal GDP and the third largest in terms of purchasing power parity (PPP). India offers great opportunities under its Make in India initiative coupled with a conducive IPR regime and ease of doing business.

GIPC brings in experts from various fields of technology viz Pharma, Biotech, Automobile, Telecom, Information Technology, and Artificial Intelligence from the industry and from research organisations. It is a common platform for experts dealing with law, technology and commerce which is necessary for the optimisation and leveraging of IP Assets.

GIPC started its journey 14 years ago in 2009, and more than 3500 participants from more than 50 countries participated in the conference.

GIPC acknowledges its gratitude to the IP Fraternity for its continuous support from more than 50 countries representing a large number of corporates and the renowned law firms. It's like a family gathering for sharing knowledge and doing business together. Please do join us to make the 14th edition a grandeur.

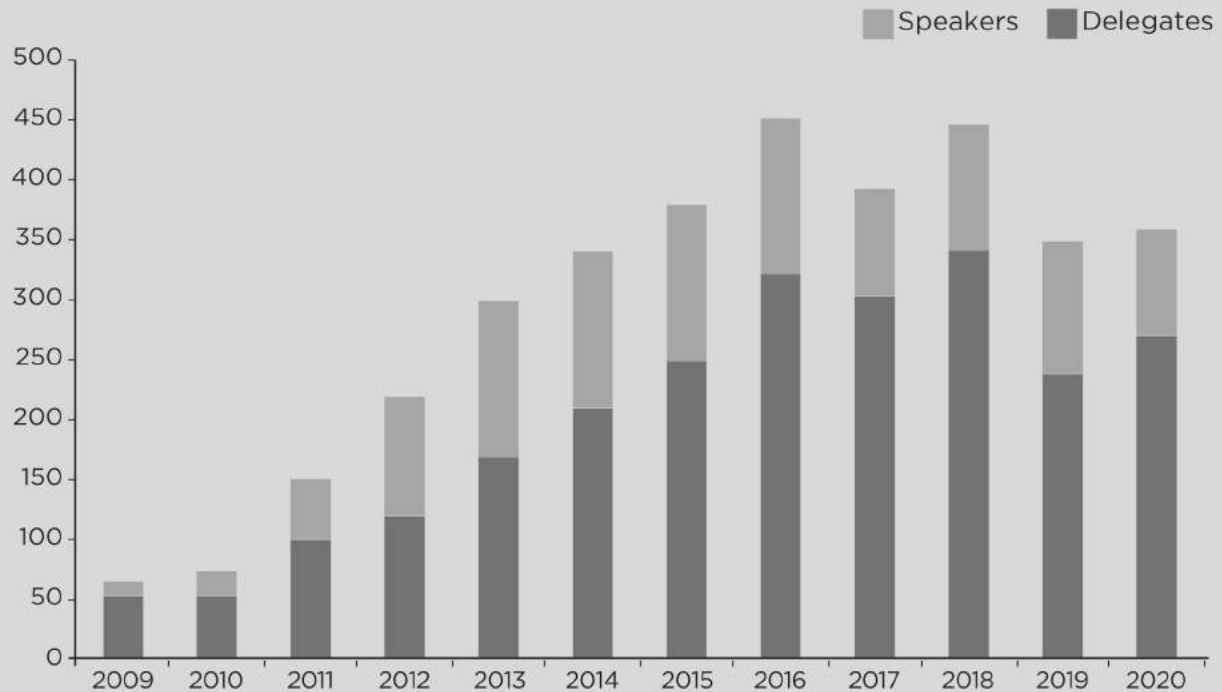

ABOUT GIPC

Global Intellectual Property Convention (GIPC) is Asia's most attended conferences designed for in-house IP counsels and innovators to interact with IP attorneys from around the world to discuss best practices and solutions to maximize the value of their innovation and IP. GIPC is a platform to introduce, shared, protect and monetize your ideas.

Since 2009, over 3500 delegates have participated in GIPC from over 50 countries. It is the favourite learning and networking destination in India for IP fraternity from well-known law firms, multinational organizations, service providers and government office bearers from India and countries like USA, Canada, Brazil, Russia, UK, Germany, Japan, Australia, Hong Kong, Zimbabwe, Nigeria et al. Speakers from USPTO, WIPO, IPO, JPO, EPO, ARIPO, and many other international IP organizations have shared their ideas and vision about innovation and IP.
